

1. GETTING DASHBOARD ACCESS

Step 1 – Go to Quicksight’s login page.

([CLICK HERE](#))

It prompts you to enter an account name.

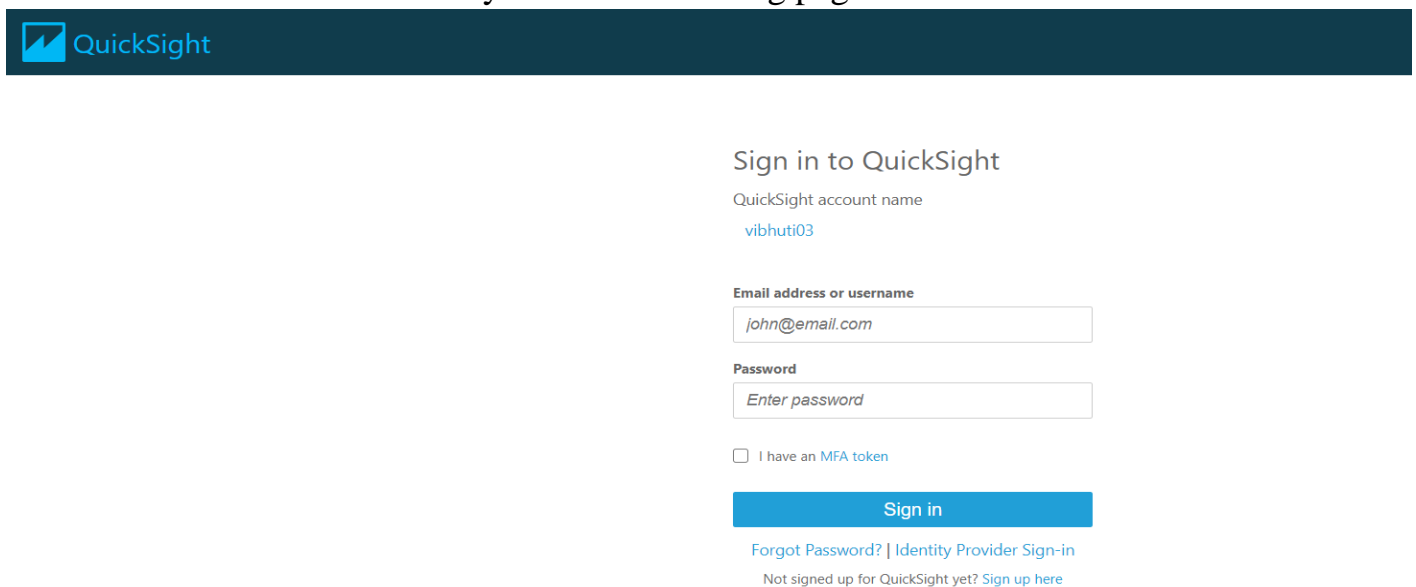

Step 2 – Enter the Quicksight account name as “vibhuti03” (without quotes).

The screenshot shows the Quicksight login page. At the top is the Quicksight logo. Below it, the text "As shown here" is followed by a red arrow pointing to the "QuickSight account name" input field, which contains the text "vibhuti03". To the right of the input field is a help icon. Below the input field is a blue "Continue" button. Underneath the button, there is a link "Not signed up for QuickSight yet? Sign up here" and another link "Does your organization use an identity provider? Learn more". At the bottom, there is a footer with the text "This site uses cookies. more information" and "© 1996-2020, Amazon Web Services, Inc. or its affiliates."

Step 3 - Click on **Continue**.

This will redirect you to the following page.

The screenshot shows the Quicksight sign-in page. At the top is the Quicksight logo. Below it, the heading "Sign in to QuickSight" is followed by the "QuickSight account name" field, which contains "vibhuti03". Below this is the "Email address or username" field, which contains "john@email.com". Below that is the "Password" field, which contains the placeholder text "Enter password". Underneath the password field is a checkbox labeled "I have an MFA token". Below the checkbox is a blue "Sign in" button. At the bottom, there are two links: "Forgot Password? | Identity Provider Sign-in" and "Not signed up for QuickSight yet? Sign up here".

Step 4 – Use the username and password given below –

- **Username** – Drishyam
- **Password** – Devpost123

Sign in to QuickSight

QuickSight account name

vibhuti03

Email address or username

Drishyam
